

# ***Win a Wine Cellar!***

***Bring a Bottle of Wine for a chance to win a Wine Cellar!***

Here's how it works...

Hand your wine into Emeritus Staff at the registration and we will put your name in the draw box.

At the end of the dinner, we will draw and one lucky person will go home with all the wine collected.

If the wine cellar is more than 50 bottles, we will split the cellar and two lucky people will go home with mucho vino!

If there are more than 90 bottles, then three lucky people will go home with their own wine cellar!

If you want to increase your odds, additional tickets will be available for \$20.00 each.

***As a courtesy to those participating in this event, homemade wine (or vinegar!) will not be accepted***
